HARDIK YADAV

Prayagraj, Uttar Pradesh | +91-8957209939 | hardikkht@gmail.com

PROFILE

Computer Science undergraduate at VIT Bhopal University with a CGPA of 8.02 and hands-on experience developing full-stack and computer vision projects. Skilled in Python, C++, SQL and MongoDB, with a strong foundation in OOP, DBMS, Operating Systems, Computer Networks, and DSA.

EDUCATION

B.Tech – Computer Science and Engineering **2027 (Expected)**
VIT Bhopal University *CGPA: 8.02*

12th (HSC) **2022**
Maharshi Patanjali Vidya Mandir, CBSE *89.4%*

10th (SSC) **2020**
Maharshi Patanjali Vidya Mandir, CBSE *88.6%*

Course Type: Full-time

PROJECTS UNDERTAKEN

FoodPrep – Online Food Ordering Platform

- Developed a full-stack food ordering platform with separate customer and admin experiences for browsing, ordering, and menu management.
- Implemented registration, food discovery, cart management, and order placement using React.js.
- Built backend services for authentication, order processing, and data management using Node.js and Express.js.
- Integrated MongoDB to manage user profiles, menus, and order data.
- Implemented an admin workflow for menu management and order fulfillment.

Yoga Pose Detection Application

- Developed a real-time application to identify and provide feedback on yoga postures using webcam input.
- Used OpenCV and MediaPipe for video processing and human pose estimation.
- Implemented Keras-based machine learning models to classify and validate yoga postures.
- Provided real-time feedback based on posture accuracy for immediate user guidance.

CORE SUBJECT PROFICIENCIES

Object-Oriented Programming (OOP), Database Management Systems (DBMS), SQL, Operating Systems (OS), Computer Networks (CN), Data Structures & Algorithms (DSA)

TECHNICAL SKILLS

Programming: Python, C++, JavaScript
Web Development: HTML, CSS, React.js, Node.js, Express.js
Databases: SQL, MongoDB
AI/ML Tools: Keras, OpenCV, MediaPipe
Tools: Git, GitHub

CERTIFICATIONS

- **Machine Learning – NPTEL**
- **Marketing Analytics – NPTEL**
- **Web Development with MERN Stack – FacePrep** – Score: 82/100
- **Bits and Bytes of Computer Networking – Google**
- **Digital Marketing – MPOnline Limited**

INTERNSHIP EXPERIENCE

Digital Marketing Internship / Training Program – MPOnline Limited *20 May 2026 – 15 July 2026*

- Completed a training program covering SEO, content strategy, social media marketing, and audience research.
- Worked on competitor analysis, keyword research, and market/audience analysis to understand user preferences and engagement opportunities.
- Gained exposure to Google Ads, Google Analytics, email marketing, and digital campaign performance metrics.
- Received an official certificate upon completion of the training program.
